We respect the privacy of our relations and ensure that the personal information you provide to us is treated confidentially. How exactly we do this and what personal data we collect from you for what purposes can be read here in this document.

Use of personal data

In the services we provide, we obtain certain data from you. This may be personal data. We only store and use personal data that is provided directly by you in connection with the service you have requested.

For example, entering into an agreement, or which, upon submission, it is clear that they are provided to process. We will not use your personal data for other purposes, unless you have given your prior consent or we must do so by law.

Purposes of use

In order to provide you with the best possible service, Kuiper Holland is required in certain cases to store your personal data. Kuiper Holland uses your personal data for:

- Relationship management, including contacting you if you request it.
- The performance of agreements, transactions and services.
- Providing access to our website.
- Using functionalities on our website.
- Gaining insight into the use of our website.

Description of personal data

For the above purposes, we will process the following personal data from you:

- name and address details
- E-mail address
- (Mobile) phone number
- IP address
- Technical browser information
- Cookie ID

Retention periods

We will not retain your personal data for longer than is necessary to fulfil the purposes set out in this privacy and cookie statement for the purposes set out in this privacy and cookie statement.

Confidentiality & disclosure to third parties

We will treat your personal data confidentially. The personal data that we collect from you, we do not provide to third parties for direct marketing purposes for those parties. Furthermore, we will not provide the data you provide to other parties unless you have provided prior consent for this, or this is necessary within the framework the performance of the agreement, or we are permitted or required to do so by law.

Data security

Kuiper Holland uses careful security procedures for the protection of the data processed, to prevent unauthorised persons from unintentionally gaining access to these data. Thus we ensure that only the necessary persons have access to your data and that access to your personal data is protected.

Cookies

Cookies are used on our websites to:

- Enable website functionalities and protect the website (technical and functional cookies)
- Analyse the use of the website and improve the website on that basis (analytical cookies)
- Cookies are small information files that, when visiting the website, are automatically be stored on or read from your device (including a PC, tablet or smartphone). This is done via the web browser on the device. The information that a cookie obtained about your use of the website may be transferred to another party.

Technical or functional cookies

The main purpose of cookies is to save you time and effort. For example, if you change your webpage to your personal preferences or when you navigate around a website, thanks to cookies, the chosen settings and preferences are remembered for future use.

When you visit the website again later, the data previously entered can be retrieved by the cookies, allowing you to easily use the features of the website again as you have previously set them. We use the following technical cookies.

Session cookies: A session cookie allows us to see which parts of the website you have viewed during this visit. This enables us to adapt our services as much as possible to the surfing behaviour of our visitors. These cookies are automatically deleted as soon as you close your web browser.

Analytical cookies :These website cookies are used for tracking statistics, so that we can gain insight into the use of our website and the effectiveness of our campaigns. We use the following analytical cookies: Google Analytics.

Deleting cookies: Most cookies have an expiry date. This means that they automatically expire after a certain period of time and no longer record data from your site visit record. You can also choose to delete cookies manually before the expiry date has passed. For more information on this, please consult the manual of your browser manual
